

Rockwell Parts

Rockwell Parts - AxleTech International is a premier supplier in the globe of specialty vehicle drive-train systems and parts along with off highway vehicles. The company prides itself on being its clients' preferred supplier. AxleTech strives to exceed and meet their clients' expectations for service, technology, delivery and quality. They believe in working within an atmosphere that supports the utmost integrity with empowered teamwork, along with a relentless pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively utilizing principals of environmental stewardship and safety in how they do business. The company has put various programs in place to be able to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with any questions or comments, because they are glad to promote and share this policy with a greater understanding of their efforts. They are very devoted to improving and preserving the environment. AxleTech has an EHS program that not only protects the natural world but which even actively protects their neighbors and employees also.

AxleTech specializes in the designing and manufacture of planetary axles meant for both commercial and military applications, that may consist of anything from construction equipment to airport ground support. They take great pride in being an innovative drive-train solutions provider too. AxleTech specially designs axles so as to meet certain application demands. They have more than 1000 different axle specs within their present offering. With over 100+ years of skill and history, AxleTech proudly supplies the most complete solution for whichever of your axle needs. The business is well known in several military and commercial applications. They offer complete axle assemblies used for aftermarket replacement needs, along with servicing axle requirements for OE production. Their high mobility ISAS have further details that can be found in the "ISAS" product selection.
