

Trek Parts

Trek Part - TREK Cleaning Machines is a maker of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to offering top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design concepts as proven in their product development. They enjoy providing items that energize both their dealers and their partners and provide production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' needs and skills together with their comprehension of cleaning applications, along with owners' strong desire to considerably lessen expense through productivity gains.

When considered necessary, the employees within TREK and its numerous dealer members in both parts and in technical support will be accessible. One of their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery ready and functioning day by day is top priority. The company's top of the line technology delivers dependable machine that ultimately reduces your cost of cleaning. The service, the product and the price all work together so as to make them an industry leader.
