

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are known in the business as strong and durable machinery that suits all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nationwide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber along with the Clarke Company who is presently also owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to provide equipment, parts and warranty service for these kinds of scrubbers that carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where efficiency and results count. Recently, this particular floor scrubber model has been utilized by the architects in different construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on site because of the model's excellent quality and utmost performance level for polishing concrete.
